# THANKYOU FOR YOUR CONSIDERATION TO SUPPORT ALL OF THE CHILDREN IN FOOTBALL AND NETBALL IN THE COMING 2026 SEASON

Tyabb Junior Football Netball Club is a family-friendly club that proudly promotes fair play, community spirit, and good sportsmanship for boys and girls aged 6 to 18.

We offer a quality sporting environment with football teams affiliated with the Mornington Peninsula Junior Football League and netball teams competing in the Frankston District Netball Association.

Sponsorship is not just helpful—it is essential to the survival and success of community clubs like ours. Without the generous support of local businesses, we simply could not provide the equipment, training, facilities, and opportunities that our young athletes deserve. Sponsorship helps us keep fees affordable, improve our grounds, and ensure every child has access to a safe and supportive sporting experience.

As we prepare for an exciting 2026 season, we are actively seeking the support of local businesses to join us on this journey. In return, Tyabb Junior Football Netball Club is committed to supporting those who support us. Your sponsorship will give your business exposure to our members, their families, and the wider Tyabb community—creating a mutually beneficial partnership.

Every contribution is warmly welcomed and deeply appreciated. We will work hard to promote your brand, product, or service throughout our club and beyond.

We invite you to explore our sponsorship packages and thank you for considering this opportunity. Should you choose to partner with us, we look forward to building a strong and lasting relationship between your business and Tyabb Junior Football Netball Club.

**Kindest Regards**

**Shaun Matthews**  
President - Tyabb Junior Football Netball Club
